

Section 3000 – Fiscal Management

3610-R Purchasing Goods and Services

3610-R

In order to properly oversee the purchasing function and protect the resources of the District, the following administrative rules shall apply to policy 3610. These rules shall apply equally to all employees of the District regardless of assignment.

1. No employee has authority to sign any contract for the purchase of any goods or services, nor encumber the District with any debts or obligations beyond the amount of \$500.00 without the **specific, written permission of the Superintendent of Schools**. Should he/she so desire, the Superintendent might issue **written authorizations** annually to certain District employees that authorizes expenditures of more than \$500.00 on a limited basis and for specific reasons.
2. Any expenditure for goods or services of \$500.00 or less is authorized only if such expenditures are chargeable, specifically, to an appropriate budget line item in the budget adopted by the Board of Education.
3. The Superintendent, **or a person designated specifically by the Superintendent**, shall be empowered to **sign lease agreements** on behalf of the District regardless of duration of the lease or the amount of the expenditure. It shall be the general practice of the District that, with the exception of technology equipment, such as computers, printers, scanners, copying machines, and the like, and certain transportation equipment, no lease shall be entered into that encumbers the District and the Board for more than a two-year period.
4. Any employee violating or attempting to circumvent these rules will be subject to disciplinary action, up to and including discharge. In addition, the Superintendent has authority to pursue any legal remedy necessary to seek restitution from the offending employee for any outstanding debts or obligations incurred by the District because of the employee's violation of these rules, subject to applicable collective bargaining agreements and law.
