## INDEPENDENT AUDITOR'S REPORT

To the Board of Education of  
Westwood Community School District  
Dearborn Heights, MI

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Westwood Community School District (the School District) as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the School District's basic financial statements. We issued our report thereon dated October 31, 2016 which contained unmodified opinions on the financial statements of the governmental activities, each major fund and the aggregate remaining fund information. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements.

The accompanying schedule of expenditures of federal awards and reconciliation of the financial statements' federal revenue with the schedule of expenditures of federal awards are presented for purposes of additional analysis as required by the Uniform Guidance and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and the reconciliation of the financial statements' federal revenue with the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

## **INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Education of  
Westwood Community School District  
Dearborn Heights, MI

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of Westwood Community School District (the School District) as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the School District's basic financial statements and have issued our report thereon dated October 31, 2016.

### Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School District's internal control. Accordingly, we do not express an opinion on the effectiveness of the School District's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control that we consider to be material weaknesses and significant deficiencies.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the School District's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings and questioned costs as item 2016-003 to be a material weakness.

A significant deficiency is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies described in the accompanying schedule of findings and questioned costs as items 2016-001 and 2016-002 to be significant deficiencies.

**Independent Auditor's Report on Internal Control over Financial Reporting  
and on Compliance and Other Matters Based on an  
Audit of Financial Statements Performed in Accordance  
With Government Auditing Standards  
(Continued)**

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

School District's Response to Findings

The management of the School District's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The School District's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

We noted certain matters that we have reported to management of the School District in a separate letter dated October 31, 2016.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## **INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Education of  
Westwood Community School District  
Dearborn Heights, MI

### Report on Compliance for each Major Federal Program

We have audited the Westwood Community School District's (the School District) compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of the School District's major federal programs for the year ended June 30, 2016. The School District's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the School District's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for federal awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the School District's compliance.

**Independent Auditor's Report on Compliance  
for Each Major Program and on Internal Control  
over Compliance Required by the Uniform Guidance  
(Continued)**

Unmodified Opinion on Each of the Major Federal Programs

In our opinion, the School District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs for the year ended June 30, 2016.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as items 2016-004 through 2016-007. Our opinion on each major federal program is not modified with respect to these matters.

The School District's responses to the noncompliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The School District's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

Report on Internal Control over Compliance

Management of the School District is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the School District's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School District's internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control over compliance that we consider to be material weaknesses and significant deficiencies.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as items 2016-005 and 2016-006 to be material weaknesses.

**Independent Auditor's Report on Compliance  
for Each Major Program and on Internal Control  
over Compliance Required by the Uniform Guidance  
(Continued)**

Report on Internal Control over Compliance - (Continued)

A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2016-007 to be a significant deficiency.

The School District's responses to the internal control over compliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The School District's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

## **Notes to Schedule of Expenditures of Federal Awards Year Ended June 30, 2016**

### **1) BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES**

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of Westwood Community School District (the School District). The information in this schedule is presented in accordance with the requirements of the Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the School District and therefore it is not intended to and does not present the financial position or changes in net assets of the School District for year ended June 30, 2016. Expenditures reported on the schedule are reported on the accrual basis of accounting. In addition, expenditures reported on the schedule are recognized following the cost principles contained in the Uniform Guidance and OMB Circular A-87, *Cost Principles for States and Local Governments*, wherein certain types of expenditures are not allowed or are limited as to reimbursement. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

### **2) GRANT AUDITOR REPORT**

Management has utilized the Cash Management System (CMS) Grant Auditor Report in preparing the Schedule of Expenditures of Federal Awards. Unreconciled differences, if any, have been disclosed to the auditor.

### **3) NONCASH ASSISTANCE**

The value of the noncash assistance received was determined in accordance with the provisions of the Uniform Guidance.

Commodities – Inventory values are based on USDA value for donated food commodities. Reported commodity values were computed using the recipient entitlement balance report and other records.

### **4) ADJUSTMENTS**

During the year, \$13,092 was written off due to recapture and pay back of prior year questioned costs. Also \$10,100 was written off as uncollectible for Carl Perkins and the unearned balance of \$6,190 was adjusted for the ROTC Grant.

### **5) MAJOR PROGRAMS**

Major programs are designated on the Schedule of Expenditures of Federal Awards with an asterisk (\*).

### **6) INDIRECT COST RATE**

The School District has elected not to use 10 percent de minimis indirect cost rate allowed rate allowed under the Uniform Guidance.

## SECTION II – FINANCIAL STATEMENT AUDIT FINDINGS

Reference Number	Findings
2015-001	<p><b>Finding Type</b> – Significant Deficiency</p> <p><b>Condition and Description</b> – During our review of ticket sales for the athletic events, the support for the ending numbers for the tickets that were sold were not available for review. As a result, we were unable to verify the number of tickets that were sold. No additional documentation was provided to verify that the amount represents complete game attendance revenue.</p> <p><b>Status</b> – A similar finding was noted in fiscal year 2016. See finding 2016-001.</p>
2015-002	<p><b>Finding Type</b> – Significant Deficiency</p> <p><b>Condition and Description</b> – Under Statement of Auditing Standards No. 115, we are required to communicate when a client requires assistance to prepare the financial statements and footnotes required in the annual audit report in accordance with the accounting principles generally accepted in the United States of America. For fiscal year 2015, the School District required assistance in preparing the district-wide financial statements.</p> <p><b>Status</b> – A similar finding was noted in fiscal year 2016. See finding 2016-002.</p>
2015-003	<p><b>Finding Type</b> – Noncompliance</p> <p><b>Condition and Description</b> – During our audit, we noted that the actual expenditures in the general fund exceeded the budgeted appropriations in one category as mentioned below. Expenditures in excess of the appropriated amount are a violation of state law.</p> <p><b>Status</b> – Not a reportable condition as per MDE guidelines during the fiscal year 2016.</p>

Reference Number	Findings
2015-004	<p><b>Finding Type</b> – Material Weakness</p> <p><b>Condition and Description</b> – In fiscal year 2015, certain adjustments were made to the general ledger as a result of audit to properly state the account balances. These included audit adjustments made for deferral of revenues that did not meet the availability criteria. Additionally, we noted instances where the amounts were not properly classified in the trial balance as per the State’s chart of accounts. Additionally, one instance was noted where the total payment made to a vendor exceeded the approved purchase order. We also noted instances, where bids were not performed for the purchase of goods over the State mandated amount.</p> <p><b>Status</b> – A similar finding was noted in fiscal year 2016.
